

New ProLine Heaters

State has applied its commercial water heating expertise to its new ProLine® Master Series of commercial-grade residential water heaters. The series features:

8-year limited warranty on tank and parts

CoreGard advanced anode rod protection

Stainless steel upper and lower electrical elements

HOT WATER MADNESS IS BACK

State and Contractor Rewards have partnered for the One Million Point Bracket Challenge. Now through Feb. 28, 2017, Contractors can qualify to receive a bracket by entering one State commercial product code or five residential product codes. Eligible contractors will receive an email on March 13 to fill out their bracket. A perfect bracket will earn 1 million Contractor Rewards points. The top 10 brackets will also receive contractor rewards points.
